HSP 450/75 CONTAINER

Hooklift container

The HSP 450/75 is a compact and practical hooklift container measuring 4.5 metres long and 0.75 metres high. With a capacity of 7.76 m³, this container is ideal for lighter or smaller loads such as green waste, residual material or rubble. Thanks to its low construction height, manual loading is easy and this container is perfect for use in locations with limited space.

✔ Length: 4,500 mm
✔ Height: 750 mm
✔ Capacity: 7.76 m³
✔ Fitted with hooklift attachment

€6,875.00
