BOXER FMU ROTARY MOWER

This pasture blower/mower is ideal for use in orchards, the meadow or the lawn. The machine is equipped with 3 heavy-duty rotors with 2 replaceable pendulum blades attached. The height of the mower is easily adjustable thanks to the roller at the back and the wheels at the front. This machine is ideal for use behind the compact tractor. The heavy pendulum blades smash any light branches and excrement.

Machine is driven by V-belts.

- Supplied complete with power take-off.
- Supplied as a package (assembly time 1 hour).

FMU 150: €2,550.00

FMU 180: €2,770.00
