BOXER WLF HYDRAULIC FLAIL MOWER

The Boxer WLF hydraulic flail mower is equipped with flails and two front support wheels. The cutting height is adjusted by means of the sliding skids on the side. Ideal for wheel loader use and highly suitable for lawns, parks and meadows.

The Boxer WLF hydraulic flail mower is equipped with W connection as standard.

WLF 1300: €3,120.00

WLF 1700: €3,270.00
