BOXER DM DIGGER

The digger is equipped with heavy-duty trailing feet and have a maximum working depth of 20 cm. The blades alternately enter the soil and scoop up the clods. The machine ensures that the clods are evenly distributed over the surface.

- Comes complete with power take-off.
- Supplied in a package (assembly time 20 minutes).

DM 110: €3,085.00

DM 140: €3,420.00
