## BOXER BOTTOM FLATTER EE (ATV)

The Boxer EE bottom leveler is robust in construction and galvanised. The front is fitted with heavier spring tines to loosen the bucket. On the 2nd row are light tines that can be adjusted in height by means of a spindle, to fine-tune the soil. The rubber plate at the back can be used to adjust the depth. It also makes everything smooth again so that the bucket looks perfect again.

Now also available for ATVs!

- Supplied in a package (assembly time 15 minutes).

**EE 120: €1,120.00**

**EE 120 ATV: €1,225.00**

**EE 200: €1,250.00**

**EE 200 ATV: €1,425.00**
