REMAC NEX ROTARY HARROW

Lightweight power for professional use

The Remac NEX power harrow is a compact, robust machine specially designed for tractors from 50 hp upwards. Thanks to its lightweight construction and durable components, the NEX is ideal for seedbed preparation on medium to lighter soils. This power harrow combines reliability, ease of use and excellent tillage quality - even with limited lifting power.

Available in working widths of 175, 200, 250 and 300 cm, the NEX is equipped as standard with an open roller for effective crumblng. For those requiring more intensive pressing, the machine is also optionally available with a packer roller.

NEX 175: €8,950.00

NEX 200: €10,175.00

NEX 250: €11,695.00

NEX 300: €13,195.00

Specifications

	NUMBER OF TEETH	(A)WORKING WIDTH	MINIMUM POWER	WEIGHT	WORKING DEPTH
NEX 175	7	175	70	440	30.5
NEX 200	8	200	80	695	30.5
