PRONAR T386

Pronar T386 Container Carrier - Standard equipment

The Pronar T386 container carrier combines power, flexibility and modern technology. With its robust construction, smart details and comprehensive standard equipment, it is the ideal machine for transport, agriculture and contracting.

Standard equipment

We deliver the T386 as standard with very complete equipment:

- COC EU approval - fully approved for the European market
- Tridem suspension with 1810 mm axle base
- Fixed centre axle and active steering on front and rear axles for optimum manoeuvrability
- Air brakes 400 × 140 mm with ALB brake force regulator
- K80 drawbar
- Hydraulically suspended drawbar for extra driving comfort
- Hydraulically extendable bumper
- Aluminium mudguards and LED lighting
- Practical toolbox

€86,575.00
