BOXER BM TREE CUTTER

Powerful and reliable solution for forest management and grounds maintenance

The Boxer BM Forestry Cutter is a robust and efficient machine designed for professional forest management, agricultural site maintenance and landscaping. This tiller is ideal for effective removal of trees, stumps and dense vegetation, allowing sites to be prepared for further cultivation quickly and efficiently.

The Boxer BM series is available in two working widths, so you can choose the machine that best suits your specific operations:

✔ BM165 - Working width of 165 cm, ideal for more compact sites and hard-to-reach locations.
✔ BM230 - Working width of 230 cm, suitable for larger areas and intensive use.

Thanks to its solid PTO drive, reinforced rotor and high-performance cutting system, the Boxer BM Forestry Cutter offers optimum performance even under tough working conditions.

BM165: €6,250.00

BM230: €6,500.00

Specifications

	(A) WORKING WIDTH	CROSS-SECTIONAL BRANCHES	CLAPPERS	COUPLING TYPE	MAXIMUM POWER	MINIMUM POWER	WEIGHT
BM165	165	12	36	CAT. 2	70	60	900
BM230	230	12	46	CAT. 2	80	70	1000
