BOXER EFS FLAIL MOWER

EFS flail mower

The EFS flail mower is specially designed for lower-power (20-35 HP) compact tractors. This mower is ideal for maintaining weeds, gardens, parks and other light mowing jobs.

Key features:

- Designed for lower power: Perfect for tractors with power between 20 and 35 HP.
- Adjustable 3-point linkage: Features a pivoting 3-point linkage so you can work both straight behind the tractor and diagonally behind it, making it easy to adapt the mower to different applications.
- Adjustable rear roller: With mud scraper for optimum performance.
- Durable and reliable: Made of high-quality materials for a long service life.
- Safety guaranteed: Equipped with CE-certified protective covers.

Recommended oil:

For optimal operation and long-term reliability, the use of SAE90 or EP00 oil is recommended.

With the EFS flail mower, you have a flexible, reliable and efficient solution for green space maintenance in gardens, parks and more
