HSP 450/145 CONTAINER

Hooklift container

The HSP 450/145 is a versatile hooklift container with a length of 4.5 metres and a height of 1.45 metres. With a capacity of 15.0 m³, this container is perfect for medium volumes of waste, green material or construction debris. Thanks to its compact size, the container is manoeuvrable and easy to deploy in locations with limited space, without compromising capacity.

- ✓ Length: 4,500 mm
- ✓ Height: 1,450 mm
- ✓ Capacity: 15.0 m³
- ✓ Hook-arm coupling as per standard

€8,060.00
