TACK CS20

The Tack CS20 is a reliable and quiet diesel generator for professional use. With a prime power of 20 kVA / 16 kW (50 Hz, 3-phase, 400V), this generator provides stable power for construction, industrial and emergency power applications, among others.

The generator is equipped with a Cummins 4B3.9G11 engine and a STAMFORD SOL2-G1 alternator, ensuring long life and consistent performance. The DSE6020 controller ensures simple and clear operation, while an ABB main switch provides additional safety.

With its low-noise enclosure, integrated 8-hour bottom tank and robust finish, the Tack CS20 is suitable for use in a variety of conditions.
