TACK CS40

The Tack CS40 is a powerful and reliable diesel generator for professional use. With a prime power of 40 kVA / 32 kW (50 Hz, 3-phase, 400V), this generator delivers stable power for heavier applications in construction, industry and emergency power supply.

The generator is equipped with a robust Cummins 4BT3.9G2 engine and a high-quality STAMFORD S1L2-K alternator, ensuring constant performance and long service life. The DSE6020 controller makes operation clear and reliable, while the ABB main switch ensures maximum safety.

With its low-noise enclosure, integrated 8-hour bottom tank and durable finish, the Tack CS40 is suitable for use in diverse and demanding conditions.
