TACK CS80

The Tack CS80 is a powerful and reliable diesel generator for professional and intensive use. With a prime power of 80 kVA / 64 kW (50 Hz, 3-phase, 400V), this generator delivers stable power for heavy-duty applications in construction, industry and emergency power supplies.

The generator is equipped with a robust Cummins 4BTA3.9G11 engine and a high-quality STAMFORD UCI224G alternator, ensuring constant performance and long life. The DSE6020 controller ensures clear operation and reliable monitoring, while the ABB main switch provides maximum safety.

With its low-noise enclosure, integrated 8-hour bottom tank and durable finish, the Tack CS80 is suitable for deployment in demanding conditions.
