TACK CS100

The Tack CS100 is a powerful and reliable diesel generator for professional and continuous use. With a prime power of 100 kVA / 80 kW (50 Hz, 3-phase, 400V), this generator provides stable power for heavy industrial applications, construction projects and emergency power supplies.

The generator is equipped with a robust Cummins 4BTAA3.9G3 engine and a high-quality STAMFORD UCI274C alternator, ensuring constant performance and long service life. The DSE6020 controller provides clear operation and reliable monitoring, while the ABB main switch ensures additional safety.

With its low-noise enclosure, integrated 8-hour base tank and durable stainless steel bracket finish, the Tack CS100 is suitable for intensive use in demanding environments. Perforated ventilation plates on each door and 3 European sockets make operation and connection easy.

€14,950.00

Specifications

DIMENSIONS

Overall height	1687
