TAFE 240S

Reliable power in a compact size

The TAFE 240S is a solid and versatile 2WD tractor, designed for daily use in agriculture, livestock, green space and yard work. With its powerful 3-cylinder diesel engine, simple technology and high lifting power, this tractor is a real no-nonsense work machine with excellent value for money.

Powerful and efficient engine

The TAFE 240S is powered by a 49.5 hp diesel engine with a displacement of 2600 cc. This engine delivers its power smoothly at a nominal speed of 2200 rpm, ensuring plenty of pulling power with low fuel consumption.

Reliable drive and transmission

The tractor is equipped with an 8 forward and 2 reverse sliding mesh transmission with centre control. Combined with the split torque clutch and differential lock, this provides optimum control and traction in a variety of conditions. The maximum driving speed is 28 km/h.

€15,500.00
