TAFE 5515R

Powerful and Reliable 55 hp Agricultural Tractor without Cab

The TAFE 5515 ROPS is a robust and versatile 55hp agricultural tractor, designed for maximum power and efficiency in agricultural work, contracting and site management. Thanks to the Common-Rail Simpsons diesel engine, a fully synchronised 12x12 gearbox, and a limited slip differential on the front axle, this tractor offers exceptional performance under various working conditions.
