LOVOL P4110

The Lovol P4110 is a modern and powerful 110 pk tractor, designed for professional users in agriculture, livestock farming, contract work and grounds maintenance. Thanks to the combination of a powerful engine, a comfortable cab and a robust build, this tractor is suitable for both heavy field work and transport.

The tractor is powered by the reliable Weichai WP4.6N Stage V four-cylinder diesel engine, delivering 110 pk. This modern engine delivers high torque at low revs, ensuring the tractor performs powerfully whilst remaining fuel-efficient.

The Lovol P4110 is fitted with a spacious P5000 comfort cab with air conditioning, ensuring that even long working days remain comfortable. The modern dashboard, ergonomic controls and excellent all-round visibility ensure a pleasant and safe working environment.
